

SYSTEMS PERFORMANCE SCHOOL

Spring 2019 Seminars

- A** Rail Systems and Logistics APRIL 30 - MAY 2
- B** Washers and Dryers MAY 7-10
- C** Flatwork and Finishing MAY 14-17

Is there a cost for the training?

There is no cost for the training. However the customers are responsible for travel expenses, living expenses and hotel costs.

What about meals?

Kannegiesser ETECH will provide lunch each day during the seminar, as well as drinks and snacks during seminar hours. Kannegiesser ETECH will be hosting dinners in the evenings, and all attendees are welcome to attend. The customers are responsible for breakfast each day.

Am I guaranteed a seat?

The seats for this seminar are on a first-come first-served basis. However if the response is so great that we cannot accommodate all requests, a second training session will be organized at a later date.

What about transportation to and from the airport?

The customers are responsible for these costs.

Will new machines and processes be covered?

Yes!

Can I attend just one of the seminars or do I have to attend them all?

We welcome you to attend one, two or all three, as long as there are enough seats.

How much will the hotel cost?

We have secured a special rate of \$129 + tax per night for persons attending this training seminar. (Links for hotel registration are provided on the following pages for each of the seminars.)
